FOUR WAYS TO **MAKE MONEY** ON WINE

We are a wine shop in Rawai — around **300 wines from more than 15 countries** on the shelf, from ฿400 house pours to Pauillac Grand Cru. One of those ranges, the Russian one, nobody else on the island can supply. And we don't only deliver bottles: we build wine lists that earn, and we run wine events inside your venue **where you buy nothing.**

FOUR OFFERS, ONE SUPPLIER

Take one of them or all four. Each stands on its own, and each is built so that the risk stays on our side of the table.

01

ONE SUPPLIER FOR THE WHOLE LIST

We are a wine shop first. Around 300 wines on the shelf at any time, plus the whiskey the name promises — you can build an entire card with us.

- France, Italy, Spain, Portugal — Bordeaux to Champagne to tawny port
- New World: Australia, USA, Argentina, Chile, New Zealand, South Africa
- Natural, orange, pét-nat — and 58 spirits: whiskey, cognac, gin, rum, tequila
- One delivery, one invoice, one phone number

Your upside: **the entire card from one supplier.**

02

THE EXCLUSIVE RUSSIAN RANGE

Inside that cellar sits one range no other distributor on the island imports — wine, vodka and gin.

- Abrau-Durso, Château Tamagne, Vedernikov, Aristov, Sikory — 41 SKU
- Ladoga vodka across three tiers, Barrister gin in three profiles
- Indigenous grapes your guests have never seen on a list
- Nobody can copy the page or undercut you on it

Your upside: **a list nobody else can put on a table.**

03

WINE LIST ENGINEERING

We rebuild your wine card around cost-in, not catalogue prestige — and we design and write it for you.

- Bottles from ฿300 in, same price on your list
- Printed card in your branding, English plus the language you need
- Tent cards, neck tags and a 20-minute floor briefing
- Design and copywriting cost you nothing

Your upside: **the same menu price, twice the margin.**

04

POP-UP WINE BAR

For two evenings we bring a wine station and a sommelier into your room. Consignment — you buy nothing.

- Our wine, our stand, our sommelier, our print files
- Your till, your licence, your mark-up
- Unsold bottles leave with us, free of charge
- Repeatable as a monthly weekend format

Your upside: **an event night at ฿0 upfront.**

Nothing here asks you to buy stock up front or commit to a volume.

Start anywhere: a few new lines on the list, a rebuilt card, or two evenings in the calendar. The whole card can follow later, once you have seen how we deliver.

OFFER 01

ONE SUPPLIER FOR THE **WHOLE LIST**

Before anything else we are a wine shop — the cellar in Rawai that a Phuket wine drinker walks into. Around **300 wines from more than 15 countries** on the shelf at any time, and 58 spirits behind it. Whatever your card needs, it is one order to one number, not four suppliers and four deliveries.

France Bordeaux, Bourgogne, Rhône, Loire, Jura, Alsace — plus Champagne and Crémant. Pontet-Canet Pauillac Grand Cru, Billecart-Salmon, Ruinart, Chapatier Hermitage	฿585-6,950
Italy Toscana, Piemonte, Veneto, Alto Adige, Sicilia. Pio Cesare Barolo, La Spinetta Timorasso, Begali Valpolicella, Rosso di Montalcino	฿530-2,840
Spain & Portugal Rioja, Ribera, Verdejo, Garnacha, Bobal — and tawny port from Taylor's and Graham's	฿589-3,490
New World Australia, USA, Argentina, Chile, New Zealand, South Africa. Catena Zapata, Chappellet Signature, Chateau Ste Michelle	฿400-8,590
Off the usual map Georgia, Moldova, Austria, Germany — and GranMonte from Khao Yai when the room wants a Thai wine	฿760-1,740
Russia Exclusive to us on the island — the next two pages	฿570-1,650

EVERY STYLE A CARD NEEDS

Red	White	Champagne	Sparkling	Rosé	Orange	Pét-Nat	Natural	Port & fortified
Sherry	Magnums	Whiskey	Cognac	Gin	Rum	Tequila		

ON THE SHELF ~300 wines in stock at any given time, plus 58 spirits.	COUNTRIES 15+ Old World, New World, and the odd corners in between.	EVERY PRICE POINT ฿400-8,590 house pour to Grand Cru — roughly a third under ฿900.
---	--	---

Figures are bottles physically in stock, and prices here are our retail shelf prices — HoReCa pricing is lower and quoted position by position. If a guest asks for a Chablis, a Malbec and a natural orange in the same evening, that is one order to one number.

THE LIST NOBODY ELSE ON PHUKET CAN SELL YOU

One shelf in that cellar works differently from the rest. We are the exclusive importer of these houses on the island — nobody can undercut you on them, and nobody can put the same bottle on a table across the street. It is the page of your list that stays yours.

- **Exclusivity that holds.** One distributor, one island — your list stays yours.
- **A huge Russian guest flow.** A familiar label closes the sale by itself.
- **Grapes with no price anchor.** Krasnostop, Saperavi, Sibirkovyi — the guest judges the glass, not the reputation.
- **Méthode classique at a Charmat price.** Real bottle fermentation from ₪830.

THE BOTTLE THAT LEAVES THE TABLE EMPTY

Wine is sold by the glass and argued about. Vodka is ordered by the bottle, by name, and it is gone by the end of the evening. It is the shortest path from a Russian table to a large bill — and most venues on Phuket carry nothing but the two global brands.

LADOGA GROUP · ST. PETERSBURG · 40% ABV

BOTTLE	0.7 L	1.0 L

WHAT ONE BOTTLE DOES FOR YOU

LADOGA VODKA 0.7 L	COST-IN	GUEST PAYS	YOUR MARGIN
Bottle service to the table	฿660	฿2,200	฿1,540
Or poured by the shot 40 ml × 17 pours at ฿150	฿660	฿2,550	฿1,890

Illustrative at typical Phuket menu prices — your own pricing decides the number. The point holds either way: no wine on your list returns this much cash per unit sold.

THE SAME WINE LIST, TWICE THE MARGIN

Most wine lists on the island are built from a catalogue: famous regions, famous grapes, a price the guest can check on their phone. You pay for the reputation and the guest pays for it too — but the margin in the middle is thin. We build the list the other way round: **from the cost-in up**.

- 1 **We read your current list and your menu.** What sells, what sits, what your kitchen needs a wine for.
- 2 **We pick by cost-in, not by prestige.** Less-famous regions and indigenous grapes carry no price expectation — the guest judges what is in the glass, and blind, these over-deliver.
- 3 **We write and design the card.** Tasting notes, food pairings, your branding, printed and ready. In English plus Russian, Thai or whatever your room speaks.
- 4 **We arm the floor.** Tent cards, neck tags, a 20-minute briefing so your team can sell the second glass.

ONE BOTTLE, TWO WAYS TO BUY IT

PER BOTTLE	COST-IN	ON YOUR LIST	YOUR MARGIN
Typical import list famous region, price the guest can look up	฿700-900	฿1,290	฿390-590
List built by us same shelf price for the guest	FROM ฿300	฿1,290	฿990
The same bottle by the glass ฿250 × 5 pours	FROM ฿300	฿1,250	฿950

2×

The guest pays exactly what they paid before. You keep roughly twice as much.

No price rise, no argument at the table — the change is invisible on the floor and obvious in the P&L.

Illustrative figures at a common Phuket price point. We do the same exercise on your real list and show you the delta per position before you change a thing. The card design and the copy are free — we earn on the bottles.

WE BECOME A WINE BAR INSIDE YOUR VENUE

For two evenings we move in: a mobile wine station, the whole selection and a sommelier who stands by the wine and talks to your guests. You sell through your till, under your licence, and keep the mark-up. **You buy nothing and you pre-pay nothing.**

- 1** We set up the station in a corner of your room or at the entrance, dressed for the event.
- 2** The wine arrives on consignment. Bottles to sell whole, plus light wines for the glass. Open a glass bottle and it is yours at cost — the rest you sell at leisure.
- 3** The guest orders from you and pays you. Your till, your licence. Our sommelier does the talking and the pouring.
- 4** We settle afterwards on what actually sold. Unopened bottles leave with us, free of charge.

ONE WEEKEND, ILLUSTRATIVE — TWO EVENINGS, ~120 GUESTS A NIGHT

WHAT HAPPENS	COST-IN	GUEST PAYS	YOUR MARGIN
60 bottles sold the same wine sits at ฿1,200+ on a normal list	฿450	฿900	฿27,000
12 bottles opened for the glass ≈5 pours each at ฿160	฿350	฿9,600	฿5,400
Weekend total upfront investment: none	฿0	—	฿32,400

WEEKEND WINE FESTIVAL

Two evenings, station in the room, festival pricing. The repeatable monthly format.

SEATED WINE DINNER

Your set menu against five pours, our sommelier walking the table through each one.

FREE-FLOW TASTING

Three stations, guests circulate, one ticket price. Fills a quiet weeknight.

THEMED COUNTRY NIGHT

Russia, the USSR republics, Italy — identity, posters and playlist included.

The only line item on your side is printing the artwork we supply. Wine, stand, design and sommelier are ours. A one-page consignment and event agreement covers the evening.

TRACK RECORD

WHAT YOUR VENUE ACTUALLY GETS

Three formats we run in partner venues — and, below them, the wine lists and event material we have already designed, written and printed for restaurants on Phuket. The venue supplied the room. We supplied everything else.

THE FORMATS

SEATED WINE DINNER

Set menu, five pours, our sommelier at the table.

FREE-FLOW TASTING

Stations around the room, guests move, bottles open.

TASTING GAMES

24 aromas, teams, prizes — the room stays two hours longer.

WINE LISTS AND EVENT MATERIAL WE HAVE PRODUCED

SPICE HOUSE

Full wine list, 14 positions, two-sided card in their own branding.

VERANDA

A5 insert — Russia and Moldova, English and Russian, their brand.

USSR

Festival identity — A2 posters, we were the alcohol partner of the night.

TABLE TENTS

By-the-glass cards that sit on the table and sell the second glass.

FESTIVAL CARD

The weekend list, printed and priced, ready for the floor.

Design, copywriting, translation and print-ready files come with the wine — there is no design fee. Your logo goes on the card, not ours, unless you want it there.

NEXT STEP

THREE STEPS, NO COMMITMENT

Nothing here needs a decision today. The first step costs you twenty minutes and tells you exactly what the numbers would look like in your room.

- 1** **Twenty minutes at your venue.** We look at your wine list, your menu and your room, and ask what your guests actually order.
- 2** **We come back with a proposal.** The SKUs that fit your concept with cost-in prices, the margin delta on your current list position by position, and — if the room suits it — a date and a plan for an evening.
- 3** **You pick what you want.** A few new lines on the list, a rebuilt card, an event weekend, or all three. One page of paperwork, samples arranged for the SKUs you shortlist.

LET'S PUT A DATE IN
